RRB ALP Answer Key 2024: A Complete Guide to Check & Raise Objections

The **Railway Recruitment Board (RRB)** has released its much-awaited **RRB ALP Answer Key 2024** for the **RRB ALP** (**Assistant Loco Pilot**) recruitment exam. Thus, This document has become highly crucial for candidates for evaluating their performance and estimating their scores before the announcement of official results. In this guide, we will cover everything you need to know about accessing your answer key, calculating your score, and raising objections if necessary.

Steps to Download the RRB ALP Answer Key 2024

1. Visit the **official RRB website** for your region.

2. Click on the link named **"RRB ALP Answer Key 2024"** under the latest notifications section.

3. Log in using your existing **credentials**, such as **registration ID** and **date of birth**.

4. Download the answer key and response sheet in PDF format.

5. Once downloaded, review the answer key and response sheet.

How to Calculate Your Scores using RRB ALP Answer Key 2024?

The **Railway Recruitment Board (RRB)** generally follows a specific marking scheme for **Assistant Loco Pilot (ALP)** exam. Here is the formula to help you out in estimating your performance and score before the announcement of actual result:

- **Marking Scheme**: For every correct answer, Give yourself the prescribed marks (e.g., +1). For Every wrong answer, Deduct the penalty (usually 1/3rd of a mark).

- **Formula**:

```
Total Score = (Number of Correct Answers × Marks Per Question) - (Number of Incorrect
Answers × Negative Marks)
```

This will give you a clear and transparent estimate of your approximate score before the official declaration of **RRB ALP Exam 2024** result.

Steps to Raise Objections after getting RRB ALP Answer Key 2024

If you find any discrepancies in the answer key, the RRB allows candidates to raise objections within a specified timeframe. Here's how:

1. Visit the **RRB portal** and navigate to the "**Raise Objection**" section.

2. Go to the **Answer Key** tab to view your Question Paper (QP) with marked and correct options. By using This, You can compare your answers with **RRB ALP Answer Key 2024.**

3. Select the Question ID from the dropdown menu.

4. Specify the type of objection and provide valid justification. Enter the correct Option ID and add remarks if any.

5. Upload supporting documents in PDF, JPG, or JPEG format (between 200KB and 500KB). Up to three documents can be uploaded, with at least one mandatory.

6. Pay the applicable fee for each objection raised (e.g., Rs. 50 per objection).

7. Submit your objection before the deadline.
