You may easily view and use the SBI PO Answer Key 2024 to assess your performance and confidently plan your next steps by following these simple steps. Kudos to your exploration and success with your results!

## SBI PO Answer Key 2024 - Know your score

You can calculate your SBI PO Prelims exam scores based on the number of correct and incorrect answers using the following steps:

- There are three sections on the SBI PO Prelims examination: English Language (30 marks), Quantitative Aptitude (35 marks), and Reasoning Ability (35 marks). The exam has a total of 100 marks.
- You will receive one mark for each question that is correctly answered.
- You will, however, lose 0.25 marks for each question you answered wrong.
- Furthermore, a question that is unanswered will not result in a negative mark.

Remember that the goal of these steps is to give you an approximate idea of your score. However, in accordance with SBI norms, the normalised score and a number of other factors will be used to generate the final merit list.

## SBI PO Answer Key 2024 - Expected Cut Off

Knowing the expected cutoff for the SBI PO preliminary exam is crucial. This will assist you in figuring out what score you need to get in order to move on to the next round of the selection procedure. Tables showing the expected cutoffs for the SBI PO exam are provided below.
