

# Blood Relation Questions Overview

Blood Relation Questions have a good weightage in the Banking Exam and the type of question asked in Banking exam is similar to the question mentioned below. It has been solved and explained by Gargi.ai Experts and they have tried to elaborate the concept used in Blood Relation Questions.

## Blood Relation Questions

Direction: Read the given information carefully and answer the following questions. In a family of ten members, there are atleast four married couples. Amit is the father of Devesh. Fawad is the brother-in-law of Devesh, who is the father of Chetna's son. Esha, who has two daughters, is the daughter of Beena. Chetna is the mother of Hiten, who is the husband of Gauri. Beena has one son and one daughter, both of whom are married. Fawad has two daughters, both of whom are unmarried. Hiten, who has no child, is the grandson of Amit. Isha and Joya are the granddaughters of Amit. Not more than four male members and not more than six female members are there in the family.

## Question

How is Amit related to Fawad?

Difficulty : Moderate

Average Time : 61 Seconds

Options :

1. Father
2. Father-in-law
3. Brother
4. Son
5. Grandson

## Solution

The correct answer is **Option 2** i.e. **Father-in-law**

- 1) In a family of ten members, there are atleast four married couples.
- 2) Amit is the father of Devesh.

3) Fawad is the brother-in-law of Devesh, who is the father of Chetna's son.

**Case 1**

**Case 2**

4) Esha, who has two daughters, is the daughter of Beena.

5) Beena has one son and one daughter, both of whom are married.

6) Chetna is the mother of Hiten, who is the husband of Gauri.

7) Fawad has two daughters, both of whom are unmarried.

8) Hiten, who has no child, is the grandson of Amit.

**Case 1**

**Case 2**

9) Isha and Joya are the granddaughters of Amit.

10) Not more than four male members and not more than six female members are there in the family.

(These two statements clearly show that only case 2 depicts the correct relation of the family members)

Thus, Amit is the **father-in-law** of Fawad.
