Coding Decoding Questions

Direction: Study the information carefully and answers the questions given below: ! means either hour hand or minute hand is at 8 \$ means either hour hand or minute hand is at 6 @ means either hour hand or minute hand is at 3 ^ means either hour hand or minute hand is at 7 & means either hour hand or minute hand is at 2 # means either hour hand or minute hand is at 4

Question

Sohan needs to catch a flight scheduled to depart at @@. It will take ! minutes to reach the airport from his home. At what time should he leaves to arrive the airport at least 15 min before the scheduled departure?

Difficulty : Moderate

Average Time : 55 Seconds

Options :

1. &#
2. !&
3. #^
4. \$@
5. @^

Solution

The correct answer is **Option 1** i.e. &#

A flight scheduled to depart at @@ i.e. 3:15.

Time to reach the airport from home = ! i.e 40 mins

He leaves to arrive at the airport at least 15 min before the scheduled departure.

So, he leaves from his home = $3:15 - 40 - 15 = 2:20$ i.e. $\&\#$.

Hence, $\&\#$ is the correct answer.
