Question

Which Insurance company has launched an Open Application Programming Interface Gateway to enable full digital collaboration with its business partners in December 2020?

Difficulty : Moderate

Average Time : 31 Seconds

Options :

1. Life Insurance Company
2. Aviva Life Insurance
3. Edelweiss General Insurance
4. Reliance Life Insurance
5. None of the above

Solution

The correct answer is **Option 3** i.e **Edelweiss General Insurance**.

- Edelweiss General Insurance Company has launched a first-of-its-kind, Open Application Programming Interface Gateway to enable full digital collaboration with its business partners.
- The authorized partners of Edelweiss General Insurance, with this gateway, can integrate the available and new products and services in a speedy manner with the technology platform of the company.
