It has been solved and explained by Gargi.ai Experts and they have tried to elaborate the concept used in Match The Following Questions.

### Question

In the following questions, two columns are given containing three sentences/phrases each. In the first column sentences/phrases are A, B and C and in the second column sentences/phrases are D, E and F. A sentence/phrase from the first column may or may not connect with another sentence/phrase from the second column to make a grammatically and contextually correct sentence. Each question has five options, four of which display the sequence(s) in which the sentences/phrases can be joined to form a grammatically and contextually correct sentence. If none of the options given forms a correct sentence after combination, mark option (5), i.e. "None of these" your answer. Column1 Column2 A. The Ministry of Defence (MoD) is preparing to acquire 30 General Atomics MQ-9B Guardian drones from the United States. D. Small businesses in India, already struggling amid the pandemic, are now having to repay mounting debt after a loan holiday. B. Short of an India-China fighting war or another Galwan-type conflagration, a 'worst-case scenario' is taking steady root in eastern Ladakh. E. It is an initiative launched by M.H.R.D [Government of India] under Digital India to give a coordinated stage and free entry to web courses, covering all advanced education, High School and skill sector courses. C. SWAYAM (meaning 'Self') is a Hindi acronym that stands for "Study Webs of Active-Learning for Young Aspiring Minds" is an Indian Massive open online course (MOOC) platform. F.
