Understanding

Statement: Businessmen in Mysuru are keeping their fingers crossed. On the full impact of the revision of goods and services tax (GST) rates on products announced recently by the GST council.

Assumptions:

1. Businessmen were unhappy after the implementation of GST. **Not Implicit** (As it is mentioned that businessmen are keeping their fingers crossed which means they are expecting something positive. So they are not unhappy.)
2. Sales and purchases decreased after the implementation of GST. **Not Implicit** (Nothing is discussed about sales and purchases)

Hence, the correct answer is **If neither I nor II is implicit.**
