The given question suggests finding the correct arrangement of parts forming a coherent sentence.

The theme of this sentence is the rise in the number of Tigers.

The order of the parts of this sentence is:

"Tiger numbers are increasing for the first time in over a century, (B)/ the Irrawaddy dolphin population is rising after decades of decline, (D) and more and more countries in Asia (C)/ are banning sales of elephant ivory (A)!"

Hence, the correct order is BDCA.
