Solution

The correct answer is **Option 3** i.e. **B only**.

The question is to find out the correct statement representing the given vocab. We have to find the sentence(s) that are coherent with the word.

Among the given statements, only sentence **B** seems to portray the exact denotation of the provided word.

- The word '**Rationalism**' means coming or likely to happen very soon.
- In sentence **A** '**rampant**' should be used instead of the given word.

In sentence **C 'reformers'** should be used instead of the given word.

The use of **Rationalism** in sentence **A, C** is **incorrect** as the above meaning doesn't fit in sentences meaningfully.

Hence, the correct answer is **Option 3** i.e. **B only**.
