Concept/Grammar Rules	Application
-----------------------	-------------

The query is about finding the appropriate synonym which represents a word or phrase that means exactly or nearly the same as another word or phrase in the same language and antonym which represents a word opposite to the given word "Adumbrate". Option 3, i.e. "Outline-Uncover" seems to be the appropriate pair of synonym and antonym of the given word.

The word "Adumbrate" means describe roughly or briefly or give the main points or summary of and the pair given in option 3 seem to be representing the pair of synonym-antonym for the given word as the word "Outline" seems to be its synonym as it means a general description or plan showing the essential features of something but not the detail and the word "Uncover" means remove a cover or covering from.

Further, the remaining pairs are representing either a pair of synonyms or antonyms to the given word.
