Concept/Grammar Rules	Application
-----------------------	-------------

The query is about finding the appropriate synonym which represents a word or phrase that means exactly or nearly the same as another word or phrase in the same language and antonym which represents a word opposite to the given word "Spur". Option 4, i.e. "Stimulus-Incentive" seems to be the appropriate pair of synonym and antonym of the given word.

The word "Spur" means a verbalization that encourages you to attempt something and the pair given in option 4 seems to be representing the pair of synonym-antonym for the given word as the word "Stimulus" seems to be its synonym as it means a thing that arouses activity or energy in someone or something; a spur or incentive and the word "Incentive" means a thing that motivates or encourages someone to do something.

Further, the remaining pairs are representing either a pair of synonyms or antonyms to the given word.
