Concept/Grammar rules	Application
-----------------------	-------------

The query is about finding the appropriate synonym which represents a word or phrase that means exactly or nearly the same as another word or phrase in the same language and antonym which represents a word opposite to the given word "Emerge". Option 2, i.e. "Proceed-Disappear" seems to be the appropriate pair of synonym and antonym of the given word.

The word "emerge" means come out of view, as from concealment. The pair given in option 2 seems to be representing the pair of synonym-antonym. The given word "Proceed" seems to be a synonym as it means to continue doing something. The other word "Disappear" seems to be its antonym as it means (of a person) to become impossible to see or to find.

Further, the remaining pairs are representing either a pair of synonyms or antonyms to the given word.

Hence, the correct option is 2.
