Question

Choose the most appropriate option to change the voice (active/passive) form of the given sentence. Nobody can resolve this query.

Difficulty : Moderate

Average Time : 29 Seconds

Options :

1. This query cannot be resolved by anybody.
2. This query cannot be resolved by nobody.
3. This query can be resolved by nobody.
4. This query could not be resolved by anybody.

Solution

The correct answer is option 1 i.e. This query cannot be resolved by anybody.

There is a lesser-known fact with this sentence that sentences like nobody, everybody, anybody, anyone, everyone, etc are actually singular but misinterpreted as plural.

Changes:

- subject changes to the object.
- object changes to the subject.
- 'resolve' changes to 'resolved'.
- 'nobody' changes to 'anybody' because not is already mentioned in the sentence. So, in order to have coherence in the sentence, it has been done so.
- 'by' is added as a necessary preposition.

On making the above-mentioned changes, the given sentence can be converted to its respective passive voice.
