

# Voice Questions Overview

Voice Questions have a good weightage in the Banking Exam and the type of question asked in Banking exam is similar to the question mentioned below. It has been solved and explained by Gargi.ai Experts and they have tried to elaborate the concept used in Voice Questions.

## Question

Select the correct active form of the given sentence. The injured were being moved to the hospital by the police.

Difficulty : Moderate

Average Time : 29 Seconds

Options :

1. The injured was moving the police to the hospital.
2. The police has been moving the injured to the hospital.
3. The police moved the injured to the hospital.
4. The police were moving the injured to the hospital.

## Solution

Concept/Grammar rules	Application
<p>The given sentence is in passive voice. Its tense is past continuous. The structures for active/passive voices are:</p> <p><b>Active:</b> Subject + was/were + verb (ing) + object...</p> <p><b>Passive:</b> Object + was/were + being + verb (IIIrd from) + by + subject...</p>	<p>As per the rule, in order to convert it to active voice, we first interchange the subject and object i.e. '<b>the injured</b>' and '<b>the police</b>'. Then we use the past continuous tense i.e. '<b>was moving</b>'.</p> <p>Hence, '<b>The police was removing the injured to the hospital</b>' is the correct answer.</p>
